## ER Brochure

**Goal:** To create a brochure to show your knowledge of the "er" verbs.

**Step 1:** choose 7 "ER" verbs to work with. Each verb should be conjugated in English and French like the example below (nager). A picture should be next to or above the verb to show understanding of it's meaning.

Nager (to swim)			
Je nage	I swim	Nous nagons	We swim
Tu nages	You swim	Vous nagez	You swim (formal)
Il nage	He swims	Ils nagent	They swim (m)
Elle nage	She swims	Elles nagent	They swim (f)

**Step 2:** You will be using 8 X 14 paper (legal size) and fold it twice to make 8 sections. The front section will be for your title "ER VERBS", and your name. The other sections are for the 7 verbs you have chosen and their pictures.

**Step 3:** add some colour and make it look nice

**Step 4:** Hand it in to be marked.
