

A Little / A Lot

Z-Z-Z-Z **Boring:** The night sky had a lot of stars.

Interesting: The stars were numberless in the night sky.

A Little	A Lot
<p>a few a handful of a scattering of a sprinkling of inconsequential inconsiderable infrequent insufficient limited meager minor minute negligible occasional paltry petty piddling rare scant scanty scarce scarcely any skimpy slight slim some sparse</p>	<p>abundant bounteous bountiful copious countless endless immeasurable incalculable infinite innumerable limitless many multifarious multiple multitudinous myriad numberless numerous plentiful plenty of scads of several swarming with teeming with uncountable unlimited voluminous</p>
